

SAVVY INVESTMENT THE LIBERTY

The Liberty is a wristwatch that allows you to locate the wearer instantly from an app on your phone. It's ideal for keeping track of children and offering an extra level of support to the elderly. Developed in Ireland, the watch can make calls and you can also automatically call the emergency services from it. This is a savvy investment in safety. The Liberty costs €139.95 and the monthly mobile bundle is €9.95 per month.
